Contributing Author's Letter of Agreement

Title of chapter: _____

Author(s): _____

For the purposes of the publication of the above article in the book *Artificial Life IX: Proceedings of the Ninth International Conference on the Simulation and Synthesis of Living Systems*, edited by Jordan Pollack et al, I do:

(a) warrant that I am the sole or senior author of this article except for those portions shown to be quotations;

(b) grant to The MIT Press the nonexclusive right to publish the article in all languages and for all countries in both print and electronic forms;

(c) appoint the above editors as my agent in everything pertaining to the publication of the article in this book;

(d) agree to read proof if requested to do so and otherwise to cooperate to the end of publication;

(e) affirm that the article does not violate copyright or other proprietary right, that it contains no material that is libelous or in any way unlawful, that it has not previously been published, in whole or in part, except as I have advised the editors in writing, and that I will not now publish the article in any other edited volume without the consent of The MIT Press.

With this last exception, I retain the right to use the material in the article in any other writing of my own, whether online or in article or book form.
