(1) MEDIA PERMISSION FORM (*mandatory*)

RoboCup Junior is an event that attracts media attention. It is likely that participants and attendees will be photographed and/or filmed by the media.

Consent

By signing below, I agree to allow my child to be photographed and/or filmed by the media. I give permission for this material to be published, placed on the official RoboCup Junior web page or televised in the public forum. This material will be used anonymously; only my child's age, gender and location (city/state and country) may be disclosed. Any other use of this material will require my written consent.

Student's name: _____
School: _____
School location – city: _____ state/province: _____ country: _____
Student's signature: _____ Date: _____
Parent/Guardian signature: _____ Date: _____

(2) EDUCATIONAL RESEARCH PERMISSION FORM (*optional*)

RoboCup Junior is organized by academic researchers from around the world who are studying the educational value of robotics, particularly for young students. Participants at RoboCup Junior events may be asked to complete surveys as part of these research initiatives and may also be interviewed by these researchers on videotape. The video will be used solely for research purposes. Those who cooperate will receive specific information on the studies and contact details for the researchers involved.

Consent

By signing below, I agree to allow my child to take part in RoboCup Junior with the knowledge that some educational research data may be recorded and later published as a result of my child's participation. These data will be used anonymously; only my child's age, gender and location (city/state and country) will be tabulated.

Student's name: _____
School: _____
School location – city: _____ state/province: _____ country: _____
Student's signature: _____ Date: _____
Parent/Guardian signature: _____ Date: _____
